INFORMATION BULLETIN 95-05

TO: CONSULTANTS

FROM: ENGINEERING CONSULTANTS SECTION

SUBJECT: ADOT METRIC LOGO

Enclosed is information relating to logos that are to be used on ADOT plans produced in metric units. The purpose of the logos is to distinguish between English Unit Projects and Metric Unit Projects.

If there are any questions, please contact Tom Buhr, ADOT Metric Coordinator, at (602) 255-8262.

RE: ADOT METRIC LOGO

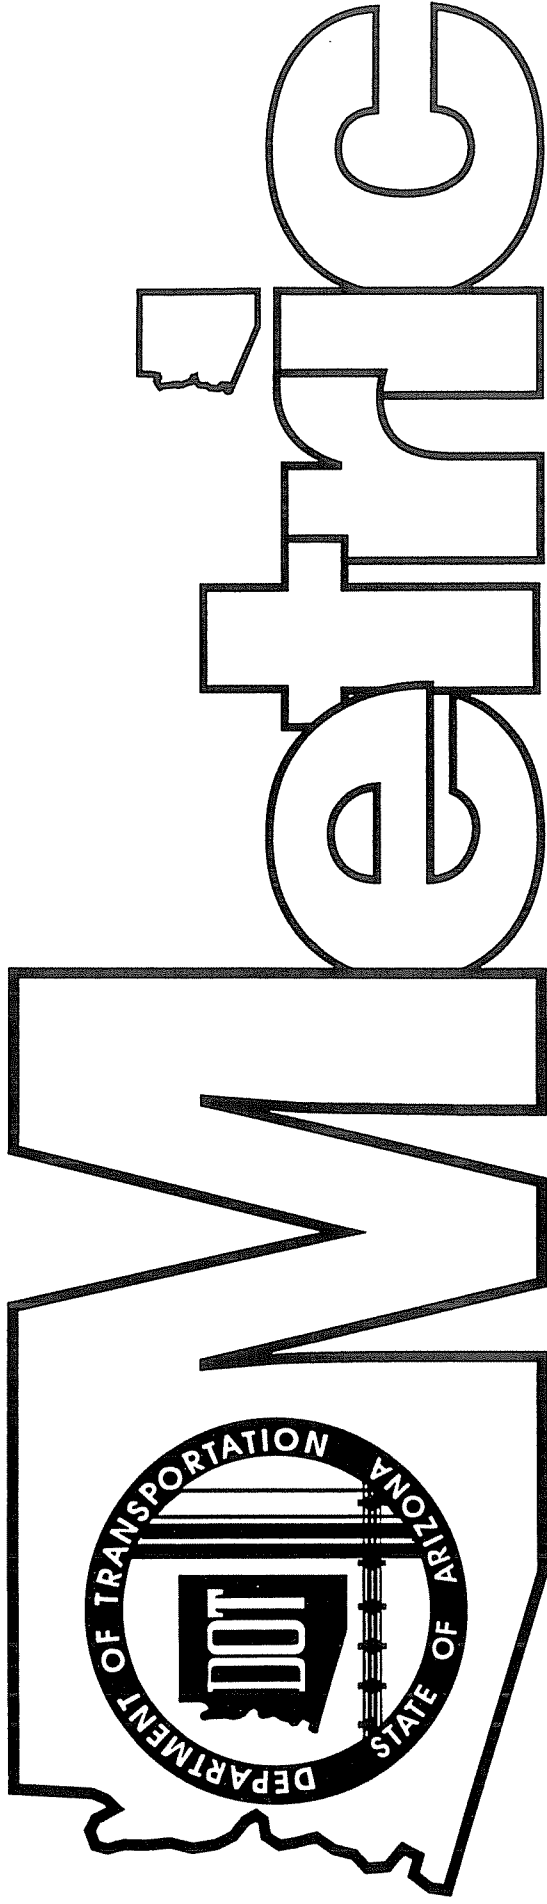

DATE: February 9th, 1995

With the on going efforts for the Department's implementation of Metric, two logos have been designed to be used on Metric projects and other related metric data & materials. The purpose of these logos is to distinguish between English unit projects and Metric unit projects. The primary design being the one with the shape of Arizona and Metric spelled out (Example "A"); the secondary being that shaped of the State of Arizona & the letter M (Example "B").

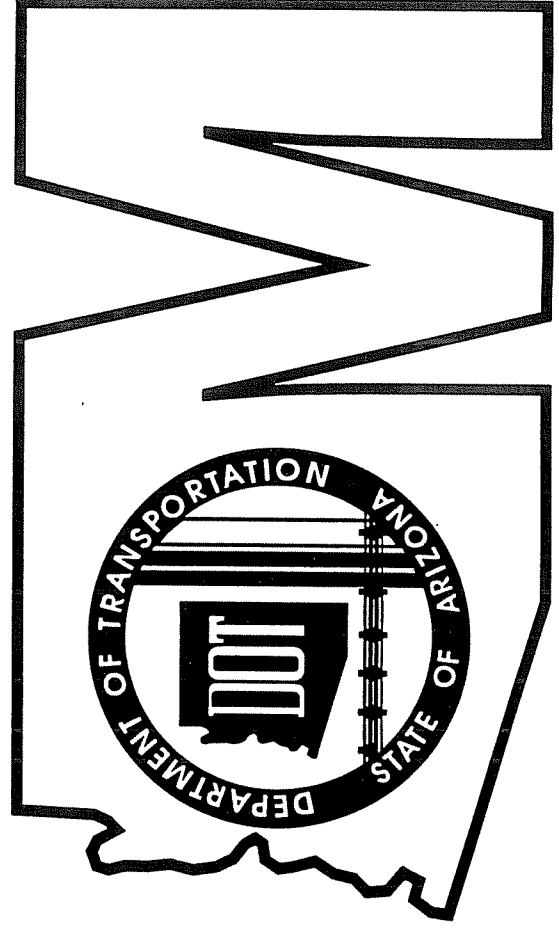

Attached are copies of the two logos (Examples "A & B") along with the proper location of the logo (Example "A") on the metric plan sheets. This logo has already been set up on CADD Systems for everyone's usage (Example "C")

Please communicate this information to all those having dealings with ADOT project plans development, along with Project Managers and Consultants. If you have any questions please contact me at (602) 255-8262; my FAX number is (602) 407-3220.
